

Week of 2-13-17	Monday	Tuesday	Wednesday	Thursday	Friday
5th Math	1. pages 563,564 together 2. page 565 odds 3. page 566 #s 15-17 4. h.w. page 567,568 5.NF.5, 5.NF.5b	1. pages 569,570 together 2. pages 571,572 in partners 5.NBT.5	1. pages 577,578 together 2. page 579 odds 3. page 580 #s 15-17 4. h.w. pages 581,582 5.NF.2	1. pages 583,584 together 2. page 585,586 volunteers to the board 3. in class pages 587,588 5.NF.5, 5.NF.5b	1. check my progress pages 575,576 independently 2. volunteers to the board 3. Front Row 5.NF.5, 5.NF.5b
6th Math	1. pages 535-537 together 2. page 538 volunteers to the board 3. h.w. pages 539,540 #s 1-15 and 18 6.EE.5, 6.EE.7	1. pages 551-553 together 2. page 554 volunteers to the board 3. start page 555, 556 6.EE.5, 6.EE.7	1. page 543,544 together 2. page 545 partners 3. h.w. page 546 partners 6.EE.5, 6.EE.7	1. pages 561-563 together 2. page 564 volunteers to the board 3. In class page 565,566 numbers 1-6,8,10,11 6.EE.5, 6.EE.7	1, chapter 7 review in partners pages 571-574 2. front row 3. Test Wednesday 6.EE.5, 6.EE.7
8th Math	1. pages 453-455 together 2. page 456 volunteers to the board 3. start page 457,458 numbers 1-7 and 11 8.G.1, 8.G.3	1. chapter 6 L1 h.w. practice worksheet 2. pages 459,460 if done 8.G.1, 8.G.3	1. pages 461-463 together 2. page 464 volunteers to the board 3. start page 465 8.G.1, 8.G.3	1. chapter 6 L2 h.w. practice worksheet 2. page 467,468 if done 8.G.1, 8.G.3	1. math facts 2. front row
6th Explore math	1. math min 12 2. story problems	1. math min 13 2. story problems	1. math min 14 2. It's Freezing Around here activity	1. math min 15 2. It's Freezing Around here activity	1. math facts 2. front row

Lesson Objectives 5th

Monday- generate equivalent fractions by writing a fraction in simplest form

Tuesday- guess, check, and revise to solve problems

Wednesday- determine the common multiples and the least common multiple of a set of numbers

Thursday- compare fractions by using the least common denominator

Friday- all of the above

Lesson Objectives 6th

Monday- solve and write subtraction equations

Tuesday- solve and write multiplication equations

Wednesday- solve equations and find solutions

Thursday- solve and write division equations

Friday- all of the above

Lesson Objectives 8th

Monday/Tuesday- graph translations on the coordinate plane

Wednesday/Thursday- graph reflections on the coordinate plane
